**Perkins County Sheriff's Office Investigates  
One Vehicle Rollover Injury Accident**

On February 10, 2005 at 4:29 p.m., the Perkins County Sheriff's Office was summoned to the scene of a one-vehicle injury accident five miles east and six miles south of Grant.

A 1997 Saturn SSL four-door sedan driven by a 17-year-old Imperial female was traveling northbound on Perkins County Road 333 when the driver of the vehicle lost control of the vehicle on loose gravel, overcorrected and spun out of control sliding into the west ditch. The vehicle rolled one and one half times as it traveled through the west ditch and came to rest on its top.

The driver, who was the lone occupant in the vehicle at the time of the accident, was wearing a seatbelt and had complaints of minor pain. Following the accident, the driver was transported by private vehicle from the accident scene to the Perkins County Community Hospital in Grant.

Both airbags in the vehicle deployed during the accident. Damage to the 1997 Saturn is estimated to be \$8,000.00
